### ARTICLE III: MEMBERSHIP (From ISGL Constitution)

1. All committed, practicing Sunni Muslim (i.e. one who is free from all of "Those Which Abrogate Islam" as defined in Appendix-A) according to Ahlu Sunnah Wal-Jamaah who have resided in the Greater Lafayette area for at least 4 months (one semester for students) will be acceptable for membership upon filling the proper membership application.

2. Members must be adult, sane, and physically present in the area.

3. Members pledge that they perform the five obligatory prayers.

4. After being accepted for membership by the executive committee, the members above the age of 16 years will become voting members. Paying an annual membership fee is optional but strongly recommended. The suggested annual membership fees are twenty five U.S. dollars (\$25.00) for permanent community members (fifty U.S. dollars, \$50.00, maximum for families), ten U.S. dollars (\$10.00) for students (twenty U.S. dollars, \$25.00, maximum for families) per year. These members hereinafter will be called voting members. The Membership renewal period will be from the first day of the Fall Semester at Purdue University through the 1st of October. Membership must be renewed on an annual basis by the deadline of the 1st of October of each year. Renewals received after this date result in being ineligible to vote during that membership year.

5. All the voting members will constitute the General Assembly of the ISGL.
